

# MARCH 2025

The **Power is Wisdom**. The **disciple is James**, and the **color is yellow**. The **location on the body is pit of the stomach**. A packet, a snack, and a craft are always part of our Sunday lessons.

**Sunday, March 2nd** is **Family Sunday**. There will of course be a children's book read as part of the Sunday lesson in the sanctuary. We'll explore this month's **Power of Wisdom** and how we can use it for good. It's also **Dr Suess's birthday**, so which book shall we read? **Ramadan** starts on March 1 – 2, so a brief lesson on that as well.

**Sunday, March 9th** March is **Women's Herstory Month**. We will look at famous **women in the Bible and our world**. Reminder: Daylight Savings Time.

**Sunday, March 16th** we'll talk about **Lent** which is March 5 – April 17 and **Purim** which is March 13 – 14 and what this season means for all of us.

**Sunday, March 23rd** we'll celebrate the **Spring Equinox** which is March 20th with a gardening activity and seeds to go home with each young person. This season is about new beginnings. The Bible story will be about the **Parable of the Sower**.

**Sunday, March 30th** is **Eid-Al-Fitr** and this will be part of this day's lesson. We'll finish up the **Power of Wisdom** and **more wise women in the Bible and the world**.
